Lubin & Meyer is recognized nationally as one of the country's leading personal injury law firms. Located in Boston, Lubin & Meyer is a firm whose innovative style has won more than \$350 million in verdicts and settlements in just the past ten years. In the last six months, Lubin and Meyer has won two of the largest personal injury verdicts in state history.

KNOWN ACROSS THE COUNTRY The attorneys at Lubin and Meyer pride themselves on finding aggressive and unique approaches to their cases that make the firm a winner in both the courtroom and settlement negotiations. The firm's work on personal injury cases has been covered in national publications, such as the Wall Street Journal, and on network television programs, such as '60 Minutes', 'Face the Nation' and 'Nightline'. Boston Magazine called Lubin & Meyer "one of the best firms of its kind in the country."

DOING WHAT THEY DO BEST The trial lawyers at Lubin & Meyer are experts in personal injury law, taking on a wide variety

of cases, many of which have previously been rejected by other attorneys. Among the issues the firm has tackled are catastrophic personal injury, medical malpractice and general liability claims.

THE AGGRESSIVE AND INNOVATIVE APPROACH TO PERSONAL INJURY LAW.

LEADING THE FIELD Founding partner Andrew C. Meyer, Jr. has helped lead the firm's success. Ranked as one of this year's Top 100 Massachusetts Super Lawyers, he has consistently achieved record-setting verdicts, including one of the largest personal injury award in the state's history, \$30 million including interest. His compelling influence in the field of medical malpractice won him the distinction of being named one of the most influential lawyers in the state by Massachusetts

Lawyers Weekly. Meyer's successes in winning compensation for victims of personal injury have been highlighted in the national press, including The Boston Globe, The Boston Herald, The New York Times and The Los Angeles Times. Meyer is regularly called on to speak both to lawyers and medical professionals about the advances in personal injury law and medical malpractice. For more than two decades, Meyer has chaired and lectured at continuing legal education seminars for the Association of Trial Lawyers of America, the Massachusetts Bar Association, Massachusetts Continuing Legal Education, and the Massachusetts Academy of Trial Attorneys. He has been a lecturer at Boston University Law School, Harvard School of Public Health, and Suffolk University Law School.
